A sketch of the wall and location must be submitted with the application.

- or -

A sketch of the lot and house to be fenced must be submitted with the application. The area to be fenced must also be shown in relation to the house on the sketch. Show all existing fences, drains, creeks and adjacent streets, alley, etc. If more than one type of fence is to be installed indicate the location of each type of fence. **Fences installed on property lines must have written, signed and notarized permission letters from adjacent property owners submitted with the application.** If the fence is being installed on the property line jointly, all applications must be submitted at the same time.
