B. Owner has constructed certain sanitary sewer mains and appurtenances for public sanitary services to be provided by the Township to the Property in accordance with plans and specifications approved by the Township.

C. Accordingly, the parties agree as follows:

1. **Grant of Easement.** Owner grants to the Township and its consultants, contractors, engineers, agents and employees perpetual easements over, across and within the Easement Parcel for purposes of construction, maintenance, inspection, repair and replacement of the sanitary sewer mains and appurtenances located within the Easement Parcel together with the right of access, ingress and egress over and across the Property and within the Easement Parcel for purposes of such construction, maintenance, inspection, repair and replacement of such sanitary sewer mains and appurtenances (“Easements”).

2. **Dedication.** Owner hereby dedicates to the Township for public purposes the sanitary sewer mains and appurtenances located within the Easement Parcel, and the Township accepts the dedication of such sanitary sewer mains and appurtenances as public utilities to be maintained, inspected, repaired and replaced by the Township.
